

Finding and Completing Training in the PDIS

Finding and complete training by taking your course and completing an evaluation.

1. Select the Main Menu button (three lines)
2. Expand the Learning menu (by selecting the down arrow)
3. Select Learner Home

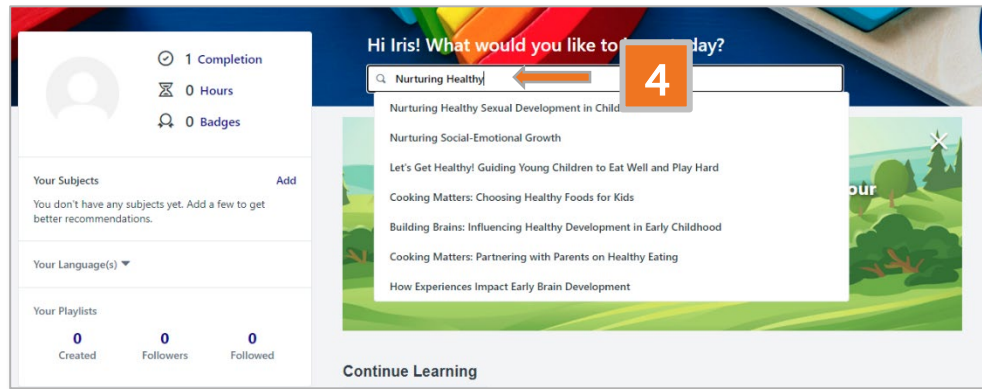

Note

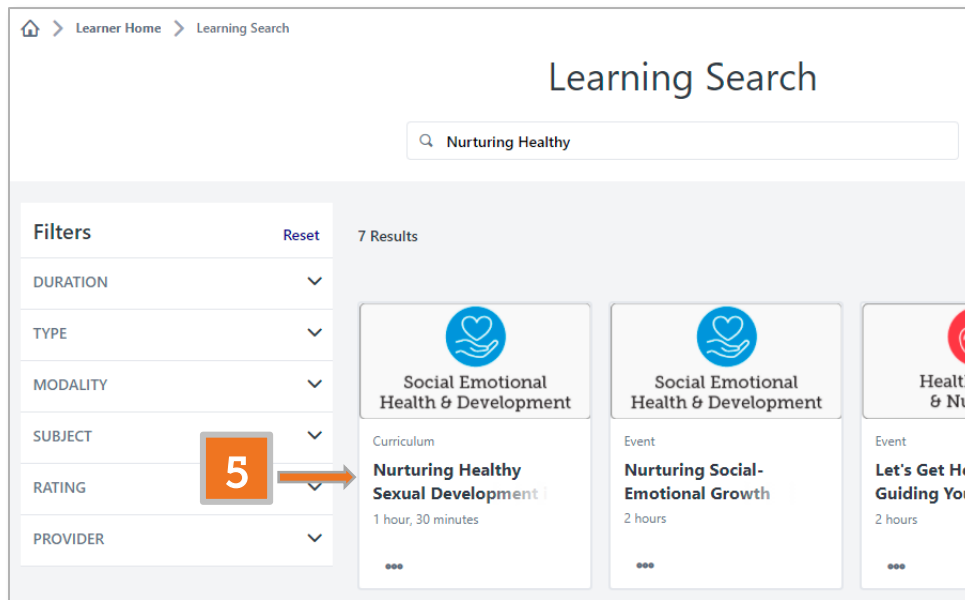

Important: If you are retaking annual training requirements, do not retake those courses from your completed transcript.

You must search for the course and re-register to receive a new course completion.

Finding and Completing Training in the PDIS

4. On Learner Home, search for your course or a keyword
5. Select the Course from the Results

Note

There are three places to search for courses:

1. Learner Home
2. Learning Search
3. Global Search (the search bar in the top right by the Main Menu)

The Learner Search page offers many additional filtering options including such as “subject,” “duration” and “rating.”

Important: To find required training, use the Global Search. Review the [Searching for Level 2, Required, and Social Emotional Training](#) How-To Guide.
